

The White Racism Lecture Series

Understandings to Neutralize and End White Racism Pathology

Presentations by **Sba, Heru-Ka Anu**
XRacism Activist, Cultural Therapist, and Leader

Historic Origins and Development of White Racism

Saturday February 6, 2021

This presentation locates the origins of White Racism in the ancient clash of races; and traces its development from as early as 3,000 BCE to the present. This presentation defines White Racism for what it is.

White Racism & Global Genocide

Saturday, February 13, 2021

This presentation surveys the pathology, history, and scope of White Racism; and the centuries of conquest and global genocide against African/Black People

Are All White People Racist?

Saturday, February 20, 2021

This presentation discerns White people's relationship to racism demonstrating that the majority have no disposition for ending racism; and what is needed to change them.

Conquering White Racism

Saturday, February 27, 2021

This presentation provides a critical understanding of Black Peoples relationship to White Racism and what Black People must do to neutralize and end White Racism.
